Happilymarried™ FOR A LIFETIME

**Proven
Strategies
for Getting
the Love
You Want
Out of Your
Marriage**

**a seminar filled with wise and valuable
information on how you can build and
sustain a happy marriage.**

Are you one of the 94% of American couples who describe their marriage as “pretty happy” or “very happy”? Then this seminar is especially for you! In *Happily Married for a Lifetime™*, you will learn tested strategies for anticipating and solving potential problems—before they destroy your marriage. You will walk away inspired and fully informed about the most up-to-date information on what goes into a successful marriage.

Here's what you'll learn:

- The four big mistakes couples make when trying to communicate—and how to correct them so both you *and* your partner feel wonderfully loved and understood
- How to share laughter and delight with your mate
- The four major differences between marriages that succeed and marriages that fail
- *Absolutely*—the best thing to do if your spouse is in a bad mood
- What to do if you are the only one who wants to work on the relationship—three strategies that get results
- The problems that typically crop up during peak divorce years—and how to get through them *happily*
- The commonly-held myth that can torpedo your marriage
- Why love goes into hiding—and how to find it when it does
- How to keep romance alive—and rekindle it when it wanes
- Two ways to dramatically improve your marriage—*immediately*
- What every couple *must* do to stay “happily married for a lifetime”
