Well-Attended Seminar**

*"My four-year-old son and my six-year-old daughter don't interrupt me on the phone anymore and they get themselves up and ready for school on time. Believe it or not, they even keep their rooms picked up without me always having to tell them"*  
Nancy Gillian, New Orleans, Louisiana

*"I had lost hope over my 13-year-old and her bad attitude until I spent a wonderful evening learning about Dr. Koenig's Smart Discipline System. It's six months later and I'm thrilled to report our daughter has rejoined the human race."*  
Dee Dee Melancamp, Orlando, Florida

*"My wife and I laughed all the way home from Smart Discipline. We stayed up half the night talking about it. Everything is just the way they said, too. Our son has ADD and he really did learn to control his behavior..."*

Larry J. Koenig, Ph.D., Author of *Smart Discipline* (HarperCollins, 2002)

Stop the fighting and bickering? Get kids to do what they are asked—the first time?

Yes, both of these are doable. With *Smart Discipline*® you can even banish the top 7 misbehaviors that bug parents most:

1. Disrespectful Language
2. Fighting and Bickering
3. Morning and Bedtime Hassles
4. Homework Hassles
5. Interrupting
6. Procrastination
7. Messy Rooms.

Even more, you will learn how children pick up beliefs about themselves—both positive and negative. And, you will learn exactly how to use this information so your children grow up with the kind of beliefs you want them to grow up with. I believe instilling positive beliefs is one of the most important things a parent can do.

## A Time Crunch

I mention these things because I know you are trying to decide if going to this seminar will be worth your time and effort.

So, here are a few comments from parents who did make the tough decision to come out to the seminar.

## A Glad Dad

"I thought there was no way that it would work as well as you said, but boy was I wrong!

What is really cool is it works just as well if not better weeks after we started. I not only see the boys behaving better but you can

see they feel better and are happier. I have also been pitching *Smart Discipline*® to everyone that will listen because it has worked so well for us."

*A Father in Land O Lakes, Florida*

## First Time Honor Roll

"As a single parent of three children under the age of 12, I needed a strategy to keep the peace and foster cooperation between all parties. *Smart Discipline*® has been a Godsend.

Since its inception, the program has produced remarkable results in my family. Not only has the yelling stopped, but the level of responsibility has dramatically increased... and this small footnote; my two oldest children, twins, both made the honor roll for the first time ever. Suffice it to say, I am a fan of *Smart Discipline*®."

*A Father In Yorkshire, NY*

## Teacher of a Terror

"One of my piano parents showed me *Smart Discipline*® to help with her child's piano lessons. A very strong-willed child, he was not interested in piano. This child was a terror. Now, his lessons are more fun for both of us, and the change was almost overnight. Now I tell the parents of my other students about *Smart Discipline*®."

*A Piano Teacher*

## Enthusiastic Dad

We have been living *Smart Discipline*® for approx three weeks and yes, the changes I have seen in my boys have been DRAMATIC—DRAMATICALLY POSITIVE!

*A Dad in St. Pete*

## Finally—A Mom

"Before *Smart Discipline*® we had power struggles every morning that ended in screaming matches. My daughter would disrespect me, ignore me and talk back to me. No one but God knew how my heart would bleed every time we went through this. Now we are experiencing the most peaceful times of our lives. Even her attitude is positive. My friends have stated that her change in behavior is totally amazing!"

*A Mother in Birmingham, AL*

## ADHD

"My son is in counseling because he has ADHD. And, you know how expensive that is. Well, it was worth every penny. The psychologist taught us your *Smart Discipline*® system. It is the first thing that has made a real difference!"

*A Mom in Madison, WI*

## Me—Like You

I have five children: four girls and a boy. So, I know full well that you will be asking yourself if coming to this program will be worth giving up an evening of relaxation at home. I assure you—it will be worth it. *Smart Discipline*® absolutely saved my wife, Nydia's, and my sanity.
